REMARKS

This amendment and response is submitted in response to the Notice to Comply. The identifiers of claims 245, 247 and 277 have been changed to read ("original") since these claims were submitted concurrently with the application and have not been amended. The strikethrough in the semicolon in claim 247 has been removed-its deletion is indicated with double brackets.

Claim 284 has been amended in a number of respects. A "(i)" has been inserted before "a domain". It was indicated in the Notice to Comply that a hyphen was inserted between "which" and "is". This was a typographical error and has been removed. In response to the Notice to Comply, the semicolon before "and a" has been replaced with a comma. Its deletion is indicated with double brackets. The amendment submitted on November 3, 2006 added the phrase "and a binding, wherein said binder...". Applicants realize that "binding" should be "binder" and the phrase "and a binding, wherein said binder..." has been replaced with "and (ii) a binder, wherein said binder....".

It is Applicants position that the claims are in condition for further examination. The Examiner is invited to contact the undersigned at (914) 712-0093 if there are any questions regarding this amendment or application.

Respectfully submitted,

Cheryl H. Agris
